What are Hackos?

Hackos are HackerRank currency you can earn and spend on the site.

How do I get Hackos?

When you register on HackerRank, you are immediately awarded with 100 Hackos. As you continue to solve more challenges, you earn more Hackos. The amount of Hackos that you earn on solving a problem depends on the Level of the challenge, and is shown below:

Level of Challenge	Hackos Earned
Easy (Practice)	5
Medium (Practice)	10
Hard (Practice)	25
Advanced (Practice)	50
Expert (Practice)	100
Easy (Live Contest)	100
Medium (Live Contest)	200
Hard (Live Contest)	300
Advanced (Live Contest)	400
Expert (Live Contest)	500

All challenges solved till now would be marked as Practice

You also earn Hackos for maintaining a login streak, where a streak of 1 day grants you 1 Hackos, 2 days grant you 2 Hackos, and so on, with an upper limit of 10 Hackos.

Where can I use Hackos?

You can currently use Hackos to buy test cases. Each test case costs 5 Hackos. So if your total Hackos count is 40, and you buy 2 test cases, your total Hackos count will become 30.
